Just a reminder...

- Please check timetable changes on the web site. We are approaching a very busy time in school with trips to Prague and Ypres and several whole day activities. This will result in lesson changes and room changes. It is very important therefore that students check the website (top right corner) either in the evening before or before leaving for school!
- Mobile Phones: **must** be switched **off** at all times in lessons. Mobile phones which disrupt the lesson will be confiscated and can only be collected by a parent/guardian.

Have a relaxing Autumn holiday!
